PROFILE

I am a dedicated software engineer with 3 years of experience specializing in cross-platform development using Flutter. I build efficient, reliable applications that perform seamlessly across platforms. My strong technical skills are complemented by adaptability, clear communication, and a collaborative mindset that supports effective teamwork.

EDUCATION

Bahcelors of Computer Science 2018- 2022
Islamia University of Bahawalpur

WORK EXPERIENCE

Field Vital (Remote) PRESENT

Fliutter Developer

- Senior Mobile App Developer responsible for leading full-cycle development of high-quality Android and iOS applications.
